Carnivals

Throughout the season clubs offer carnivals for the mini-roos to compete in against other clubs in an all-day event – the kids normally play four games. It is a great way to get to know your team. This is an optional addition for your teams and there is a fee that the players have to pay if they want to participate.

Coach & Manager Notes

Mini Roo Coach & Mini Roo Managers Facebook groups Information will be distributed through our Mini Roo Coach and Mini Roo Managers Facebook groups.

An email will be sent to coaches and managers with an invitation to join the group.

This will be sent out via email from Kissty our Mini-roos Managers Coordinator to you.

Team managers will also be sent a link to the teams facebook page that has been pre-generated for your team.

Coaches Responsibilities

Are to help kids have fun with a round ball. To play as a team while using fair play the game of Football comes second at such a young age.

Team Manager Responsibilities

The team manager looks after communication for the team and helps the coach with the administration tasks of football – in Mini-roos this is washing/ground official rosters and advise of game times and days, as well as passing on any information from the coach to the parents.

First step for managers - after muster the manager is to contact all of the team members with their contact details and pass on all information when it becomes available.

Any questions please direct them to Kissty mrmanagers@caboolturesportsfc.com.au

Weekly encouragement awards

This is something that the team coach and team manager arrange for their team. It's up to the manager / coach how they want to arrange this. This is something small to give the kids encouragement throughout the season.

For example, a "Player of the match" award. This is what some teams in the past have done: Trophy Purchase (one) trophy and share it among the team members each week – the children have it for a week and then is returned for the next recipient. The award being for player of the match. Certificate & treat Make up your own certificate and print it out and pop it with a little treat of a lollypop or a party flavor. Copy of our logo will be available on the coach & managers Facebook group. Try to make it so each child gets an award by the end of the season.

Parents responsibilities

Parents are needed to stay on the grounds with their own children.

If your child is unwell and / or not able to make a game or a training session, please let your team manager know as soon as you can.

Parents are to hand in team jersey's at the end of each game and take turns at washing the teams game day shirts. The kit is required to stay together.

Parents are to conduct all communication through their team manager not the coach, this allows the coach to focus on the kids and playing football.

All coaches, managers, parents, players and spectators must follow all Covid requirements

Photos / Trophies

Parents are requested to check the spelling of their child's name on Muster day and update if required as well as check spelling during photo and trophy times.

The club has team photos in the middle of the season. The club arranges a trophy night at the end of the season (date TCB) where the players are presented with a trophy or a medallion from the club.
